ORIENTATION - 'IGNITING MINDS',

'No sanctions can stand against ignited minds' - Abdul Kalam

Our Grade 10 students had the privilege of attending an enlightening orientation, 'Igniting Minds', on June 25, 2025, in the school auditorium. Led by esteemed resource person Dr. Diana Manoshi, and her assistant Ms. Joanne accompanied by school counselors Ms. Sindhu, the session empowered students to understand themselves better and develop self-awareness. Through interactive group activities and discussions, students explored their strengths, weaknesses, and the thrill of adolescence, including the role of dopamine in their brains. The workshop provided valuable insights into impulsiveness, vulnerability to addiction, and hyper-rational thinking, making it a thought-provoking and memorable experience. Students gained a deeper understanding of themselves and their identities, truly igniting their minds!

"The Kripta Planetarium show, held on June 30th and July 1st, was a thrilling experience for students of Classes 1 to 10. Divided into batches, they embarked on a cosmic journey, exploring the solar system and even venturing into the Jurassic world. The students thoroughly enjoyed this out-of-this-world experience, making learning an adventure.
